Dear Ms. Christine Harris Imielski,

UUSG Community

When I spend time outdoors I am often reminded of the members and donors of The Conservation Foundation who love nature and make our organization great. Thank you for your generous gift! We cannot save our precious land and rivers without your help.

Your donation helps us connect more people to nature and encourage them to put their love of nature into action. We are inspired by your commitment to make our communities healthier and more beautiful places to live! Thank you for your commitment to a better world.

Sincerely,

Brook McDonald
President/CEO
