

Dear Freedom from Hunger Friend,

I'm so pleased to announce that thanks to your generosity, Freedom from Hunger's **31 Days for Mothers** matching gift challenge was a success! With your support, the \$25,000 goal was reached and, as promised, my husband Dave and I will double your donations for a total of \$50,000.

This funding will go toward those who need it most – hardworking mothers who are struggling to keep their families alive in the face of communicable diseases, hunger and poverty.

As an international fieldworker, I have had the opportunity to work among some of the world's most marginalized and poverty-stricken populations. I have witnessed firsthand the daunting odds that women face every day to raise and protect their families, and I have seen the life-changing benefits of having access to self-help, community-based programs. Freedom from Hunger is an exceptional organization offering women access to these life-changing opportunities.

I'm proud to be part of this incredible effort. Together with Freedom from Hunger, we empower women to combat poverty, alleviate hunger and mitigate life-threatening diseases with knowledge, tools, confidence and community. We are making a significant difference in the lives of women and families throughout the world.

Your contribution goes beyond program support and benefits the lives of women, helping them provide a brighter future for their families. We could not do this without your support.

Sincerely,

Tattie Bailey
