Dear Friends at Unitarian Universalist Society of Geneva,

April 8, 2019

Thank you so much for your recent donation of 3/4 of a basket cart filled with fabulous paper products, 138 awesome senior care kits, and 15 awesome school supply kits received from annual day of service in support of our mission. With summer upon us, HSP is preparing for our summer food distributions. All families enrolled in our Children's Project receive nutritional support to help bridge the summer food gap. Most of the families we serve depend on free or reduced breakfast/lunch programs from their children's schools. While school is out of session, our families often struggle putting food on the table without the support from school programs. HSP provides groceries to make sure the kids in our project return to school happy, healthy, and ready to learn.

Although the summer season brings special distribution events, we continue with our regular services, including birthday boxes for the children and monthly grocery deliveries for our seniors. By supporting HSP, you are contributing to life-changing services that alleviate the suffering poverty inflicts on families and seniors. Our success is determined by the generous contributions from amazing donors, like you! We share with you words of gratitude we received from a family in our project.

*"Right now, for the past 2 weeks, I have had .94 in the bank with no support from his Dad. These are Joe's only gifts. For whatever reason, the Link Office has not processed my application, so I don't even have food I can give Joe. You are all a lifesaver. You all have given all of my children what they deserve, a "normal" childhood with their special days celebrated." – Joe's Mom*

Thank you for your continued support, we hope to see you at our center soon! If you haven't had the chance to visit in a while, we would love to show you how your support is creating a legacy of service here at the Humanitarian Service Project!

Yours in Love and Service,

*Kristin* ♥
