Humanitarian Service Project would like to send out a warm thank you to our friends at Unitarian Universalist Society of Geneva. Lisa Gades, a member of the congregation, was kind enough to drop off the Unitarian Universalist Society's donation of 121 Senior Care Kits today at HSP. Every 3 months HSP delivers Senior Care Kits to the 121 needy seniors enrolled in our Senior Citizen Project; this is to assure that the seniors have the basic necessities needed in order to live comfortably. Thanks to this donation, plus recent past donations HSP is ready to supply our seniors with Senior Care Kits for the first half of this year. We wish to thank the UUSG, for helping us get this much needed leg up, to fulfill the needs of these very deserving seniors.

Each of the Care Kits provided by UUSG contained:

- Envelopes
- Paper
- Eye drops
- Baby powder
- Hand wash
- Tupperware
- A Picture frame
- Puzzle book
- And, to sweeten the deal, a variety of candies.

The Unitarian Universalist Society of Geneva has continues to help and support HSP. Just last month they also gave several "Party In a Bag" donations, for the needy children in our Children's Birthday Project. Thank you again Unitarian Universalist Society of Geneva for your continued generosity and support, it is greatly appreciated.
