Dear Friends,

We wish to thank you for your **\$940.25** donation to support our neighbors in need, which we received on **10/18/2021** from your "Beyond Our Walls" collection in Sept. Your generosity has touched the lives of many at Lazarus House, and we are incredibly thankful. The men, women, and children in our three programs (the Emergency Shelter, which includes the Women and Children's Day Center, the Center for Transitional Living, and Homeless Prevention Services) have received much-needed support because of your kindness.

With every phone call and every knock on our doors, we do our very best to provide hope and comfort to the individuals and families reaching out. It is only because of people like you that we are able to continue to serve them. Thank you for making a difference.

As the holiday season approaches, we are once again modifying our holiday meals to protect the health of our guests and our community. We will be offering a special Thanksgiving Day and Christmas Day feast to our guests at Lazarus House, and also a "Meal-To-Go" for those within the community who need a holiday dinner.

Gratefully,

Julie K. Purcell, Executive Director
