Geneva, IL 60134

Dear Friends,

Thank you for your \$1,000 donation, which we received on 7/8/2011. We are blessed that donations such as yours help us keep our doors open.

Our shelter is currently filled with the pitter-patter of many, many children, including three infants and five toddlers who keep things lively! With school starting in just a few weeks, August is sure to be busy with lots of school readiness activities with the older kids.

Our adults continue to attend an array of life-skills classes/groups including: parenting, domestic violence support group, employment training, budgeting and more. We are thankful for the grants and volunteers who help make these sessions a reality.

The Outreach department has been averaging around 225 calls monthly for financial assistance and it is becoming increasing difficult to help these callers because our rental assistance funds are waning. We currently subsidize about 60 households monthly and we are entering a time when we will only be able to accept wait-list applicants. While we brace ourselves for a potential new flood of shelter guests, we are optimistic that, with the continued support of our community, we will be able to help those who face desperate times.

We are thankful to the extraordinarily talented performers who made the July Broadway Bound production such an entertaining and profitable evening. We thank all the runners, walkers and sponsors who made the Great Western Freedom 4 a success. We thank **Fox Valley Marathon Races** for including us as a charity partner in the September 18 races. Through that, long-distance runners make a donation of \$100 or more to Lazarus House, and in return get a special registration link and discount code to reserve their spot in the races. Our website (www.lazarushouseonline.com) has more details.

Thanks for being amongst our blessings. We're very grateful for friends like you.

Sincerely,

Jane Creen
Administrative Manager

*We are humbly grateful for all ways you bless Lazarus House & our neighbors most in need.
